NO. 1 SONG

At the end of a summer full of drinking on planes, tailgates on riverbanks, bartending, beachin', whiskey and water, Florida Georgia Line has turned the tide to nurse our hangovers with their first ballad, "Dirt." The Republic Nashville single hits the No. 1 spot on this week's *MusicRow* CountryBreakout Chart.

It's quite a party on 16th Avenue for the companies behind the duo as both "Dirt" songwriters, Rodney Clawson and Chris Tompkins, also pen songs for the company. Ironically, this marks the third No. 1 in four weeks that Clawson has contributed writing credits to, after writing about letting loose ("American Kids," Aug. 14, "Bartender," August 7).

In the spirit of the current single, Florida Georgia line has launched the Dirt Campaign, with a goal to raise \$100,000 with Omaze and WarpSpeed to benefit Habitat for Humanity. Fans can [donate](#) to win a chance to cruise with Brian and Tyler for their "This Is How We Cruise," which leaves Miami, Fla. for Nassau, Bahamas on Nov. 8.

VOICES OF SECONDARY RADIO

Jess Jennings/WUBB/Savannah, GA

Tell us about "Bob106.9":

We are so excited to be part of the AphaMedia family! Our talent at WUBB is LIVE and LOCAL! We are the #1 station, non-urban! Tim Leary and the Morning Showgram has been voted "Best Morning Show" of 2014 in Connect Savannah. The station has helped raise hundreds of thousands of dollars for local charities.

What is GREAT about your city?:

There is something to do in Savannah EVERY weekend! We throw the world's biggest St Patrick's Day party. The history here is extensive AND Savannah is known as the most haunted city in the United States. Many movies have been filmed here (*Forrest Gump*, *Midnight in the Garden of Good and Evil*, etc). There are beautiful beaches; great fishing... and you can drink on the street!

How many different "hats" do you wear each day at the station?:

Running WUBB completely live and local, you sometimes feel like you're spinning plates, but it is absolutely worth it! All staff duties include putting on an entertaining, informative and interactive show. We are also incredibly active on Facebook and Twitter.

Why is it important to you to report to MusicRow?:

We pride ourselves in bringing our listeners the hottest new country music available. *MusicRow* allows us to build necessary and invaluable relationships with the country music industry, as well as artists (with exclusive first listens, etc), which in turn, benefits our listeners, giving us a competitive edge in this ever-changing genre.

Who are some of the new artist that you are most excited about?:

Right now, John King... this man is has it ALL! He's talented, humble, young (and smokin' hot in an adorable "guy next door" kinda way), listeners love him, and did I mention insanely talented?!
