NO. 1 SONG

If **Blake Shelton** has been praying for another No. 1, No. 1 No. 1, we've got his light at the end of the tunnel. For the past 12 weeks the Warner Nashville entertainer has been trying to un-break his heart at the bars, and this week performed "Neon Light" over 3,500 times to take the No. 1 spot on our CountryBreakout Chart.

Andrew Dorff, Mark Irwin and Josh Kear wrote the song, which was produced by Shelton's mainstay producer **Scott Hendricks**. The flagship artist released the title as the lead single from his quality, ninth studio album *Bringing Back The Sunshine*.

MusicRow's **Robert K. Oermann** reported of the single in late August, "Honky-tonk heartbreak brought right up to date with a sensational groove and brilliantly clever lyrics. Absolutely irresistible." It was not only the critics who enjoyed the song, but fans have cha-chinged the single 260K+ times on top of album sales already ringing in at over 150K.

Since Shelton is in Los Angeles on NBC's *The Voice*, his soonest tour date is not until 2015. But tune in to see him every Monday and Tuesday night on the network. Be sure to also listen out for his next radio single, because if they're off this album, there's bound to be another chart topper!

How long have you been at the station?

Five years this coming January

How many "hats" do you wear each day?

Music Director, Traffic Director, Afternoon Host, and Sports Director
What is your philosophy on adding new music to your playlist?

I like getting out in front on the major artists as quickly as possible. As far as indies go, I like to represent them well on our list but typically prefer a song at least chart before we get on board. The one exception to that is if we have a local artist to report like **Bernie Nelson** or **Larry Fleet**, then we are on board right away.

Why is it important for you to report to MusicRow?

MusicRow is really our stations lone link to the labels and artists. We really enjoy the opportunities that are provided by being on the list.

Tell us something GREAT about your station and/or city? (Feel free to BRAG!)

We are far and away the best news and sports provider in our county. We cover two high school sports programs as well as news for the entire county. We also like to think that being so close to Nashville (Dickson is 45 minutes out) that we must have a pretty special music playlist to win people away from the "Big Three" in Nashvegas.

Who are some of the New Artists that you are excited about?

I really like what **Kayla Adams** and **Kayla Calabrese** are doing as they try to break in and I had a fantastic trio in studio recently called **The Cains Trio**. I think they all have the potential to be great in the future.
